

Weekly Programming

Summer Reading Club is a **free** reading and recreational program offered throughout the summer, starting on July 3rd and running through August 18th, ending with a celebration **party** to award and recognize our dedicated readers.

The club will run with weekly programming for Ages 5-6 and 7-9, where we will celebrate reading through games, crafts, activities, reading, and the arts, all revolving around this year's theme of **Motion Commotion!**

For ages 10+, this year we will be offering amazing workshops throughout the summer exploring literacy and the arts through **locally-run workshops**. Don't miss out on this amazing opportunity to celebrate literacy and local artistry!

If you succeed in the challenge, and get all 50 days, you will be awarded a certificate and a medal of completion at our celebration party.

Come down to the Library and pick up your reading record to get started!
