A regular time commitment of two to three hours per week is normally required for circulation volunteer work in the Library. Book covering requires a regular commitment, but scheduling can be discussed with staff to meet the library and volunteer's needs and availability. Appropriate training will be provided by the Library.

After a trial period, the Library and the volunteer will evaluate the placement.

Please note that a 'criminal record check' is a standard requirement for Library Volunteers who work in children's programming. If you are applying to work in children's programming such as Storytime or Reading Buddies, you will be required to undergo a criminal record check. If you require further information about criminal record checks please discuss this with the Chief Librarian.

Thank you for taking the time to complete this form!

Please note: Volunteer positions are generally posted and filled once annually – either in early fall or early in the new year. Volunteer applications are kept for three months from application date. Applicants who wish to be considered for positions after the three month cut-off will need to re-apply.
