Book Bingo

HOW TO PLAY

Keep track of the books you read this month by writing the title and author in the matching square. You can participate as a single reader or as a family. (See if you can use each book title only once per card!)

See if you can complete a horizontal, vertical or diagonal line. You can also challenge yourself to complete more than one line or even fill in the whole bingo chart! The centre square is a free square.

When you're done, come hand it in at the Bowen Island Library (or put it through our book return slot), and we will post it on our Book Bingo Wall of Fame! This helps others find great titles to read as well.

NEED HELP FINDING BOOKS?

Ask a staff member at the library — we are happy to show you where to find all the types of books listed on your Bingo sheet.
